

Hey whores,
tell us who you are
and how you end up here!

Hey, my name is Nami
I'm 39 years old
I like money, shopping
and tangerines!

We are here because our
friend gave us your number
and we want to make money!

Hello, my name is Robin
I'm 49 years old
I like money, movies
and reading books.

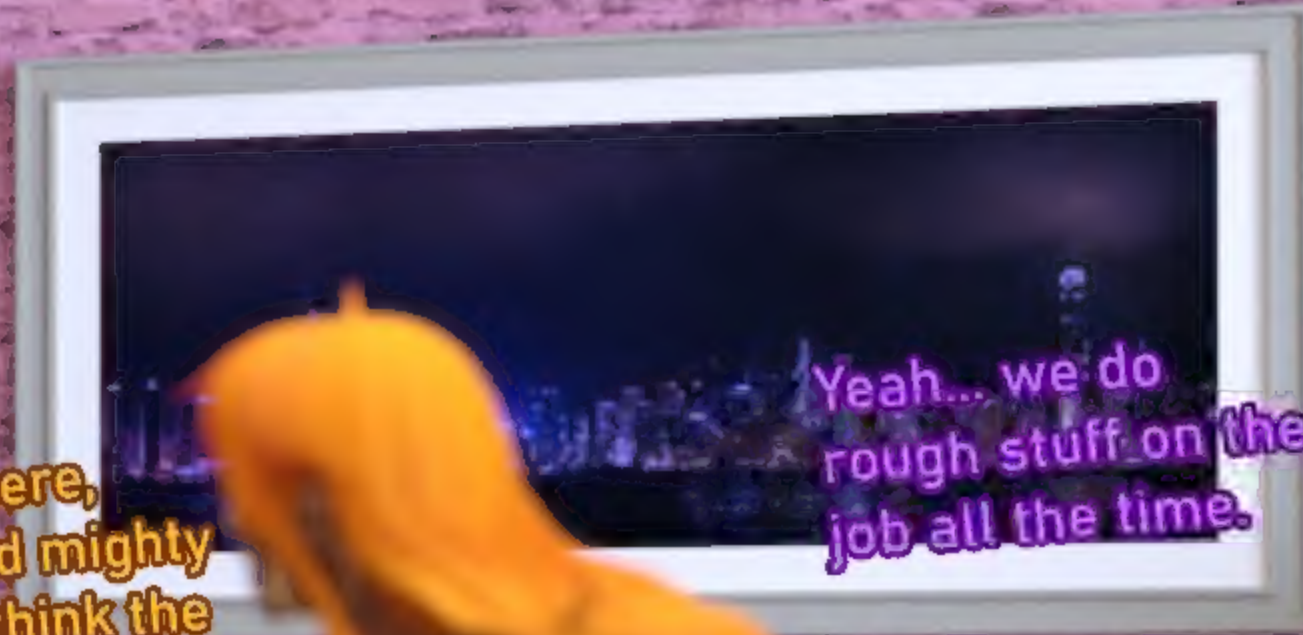

By any chance, is that your friend over there?
I saw two you looking at the picture earlier.

Yes, that is her. Yes, that is her.

And after you seen how it turned out for her
you two thought it was a good idea to come here?

Just between us here,
18 acts all high and mighty
all the time, but I think the
two of us can do better!

Yeah... we do
rough stuff on the
job all the time.

My God, if you two think
you can handle this,
you're dumber than you look.

There's only one way this ends:
You two broken and crying.
Like little bitches!

Oh! Is it recording already?
I hope she doesn't hear this.

giggles

I bet she will.
If I knew 18 got wrecked
like that, I'd have watched
it 10 times already just
for the fun of it....
Fufufufu

Ok, bitches. Enough talk.
Now strip and show me those
fat asses of yours! Let's see
what you got!

We will perform
a whore dance

desert of Alabasta

There's your meal

A woman with blonde hair, wearing multiple necklaces and a bracelet, is sitting at a table. She has a surprised or questioning expression on her face. The background is slightly blurred, showing other people and what appears to be an outdoor setting.

\*Meal?  
What he means?\*

No way...  
this is Nami's...

That's right! It's your friend's puke  
that she sprayed from her ass  
onto your face!

She slurped a whole bowl  
and put it inside your asshole.

Too bad you can't do the same  
to her now, right?

You have to eat the whole thing.  
Now be a good pig and get started!

\*Gosh, it reeks!  
The smell alone makes me sick!

Sinking in a poodle of your own vomit!
Truly pathetic!

However this piece isn't complete yet.

Guys!

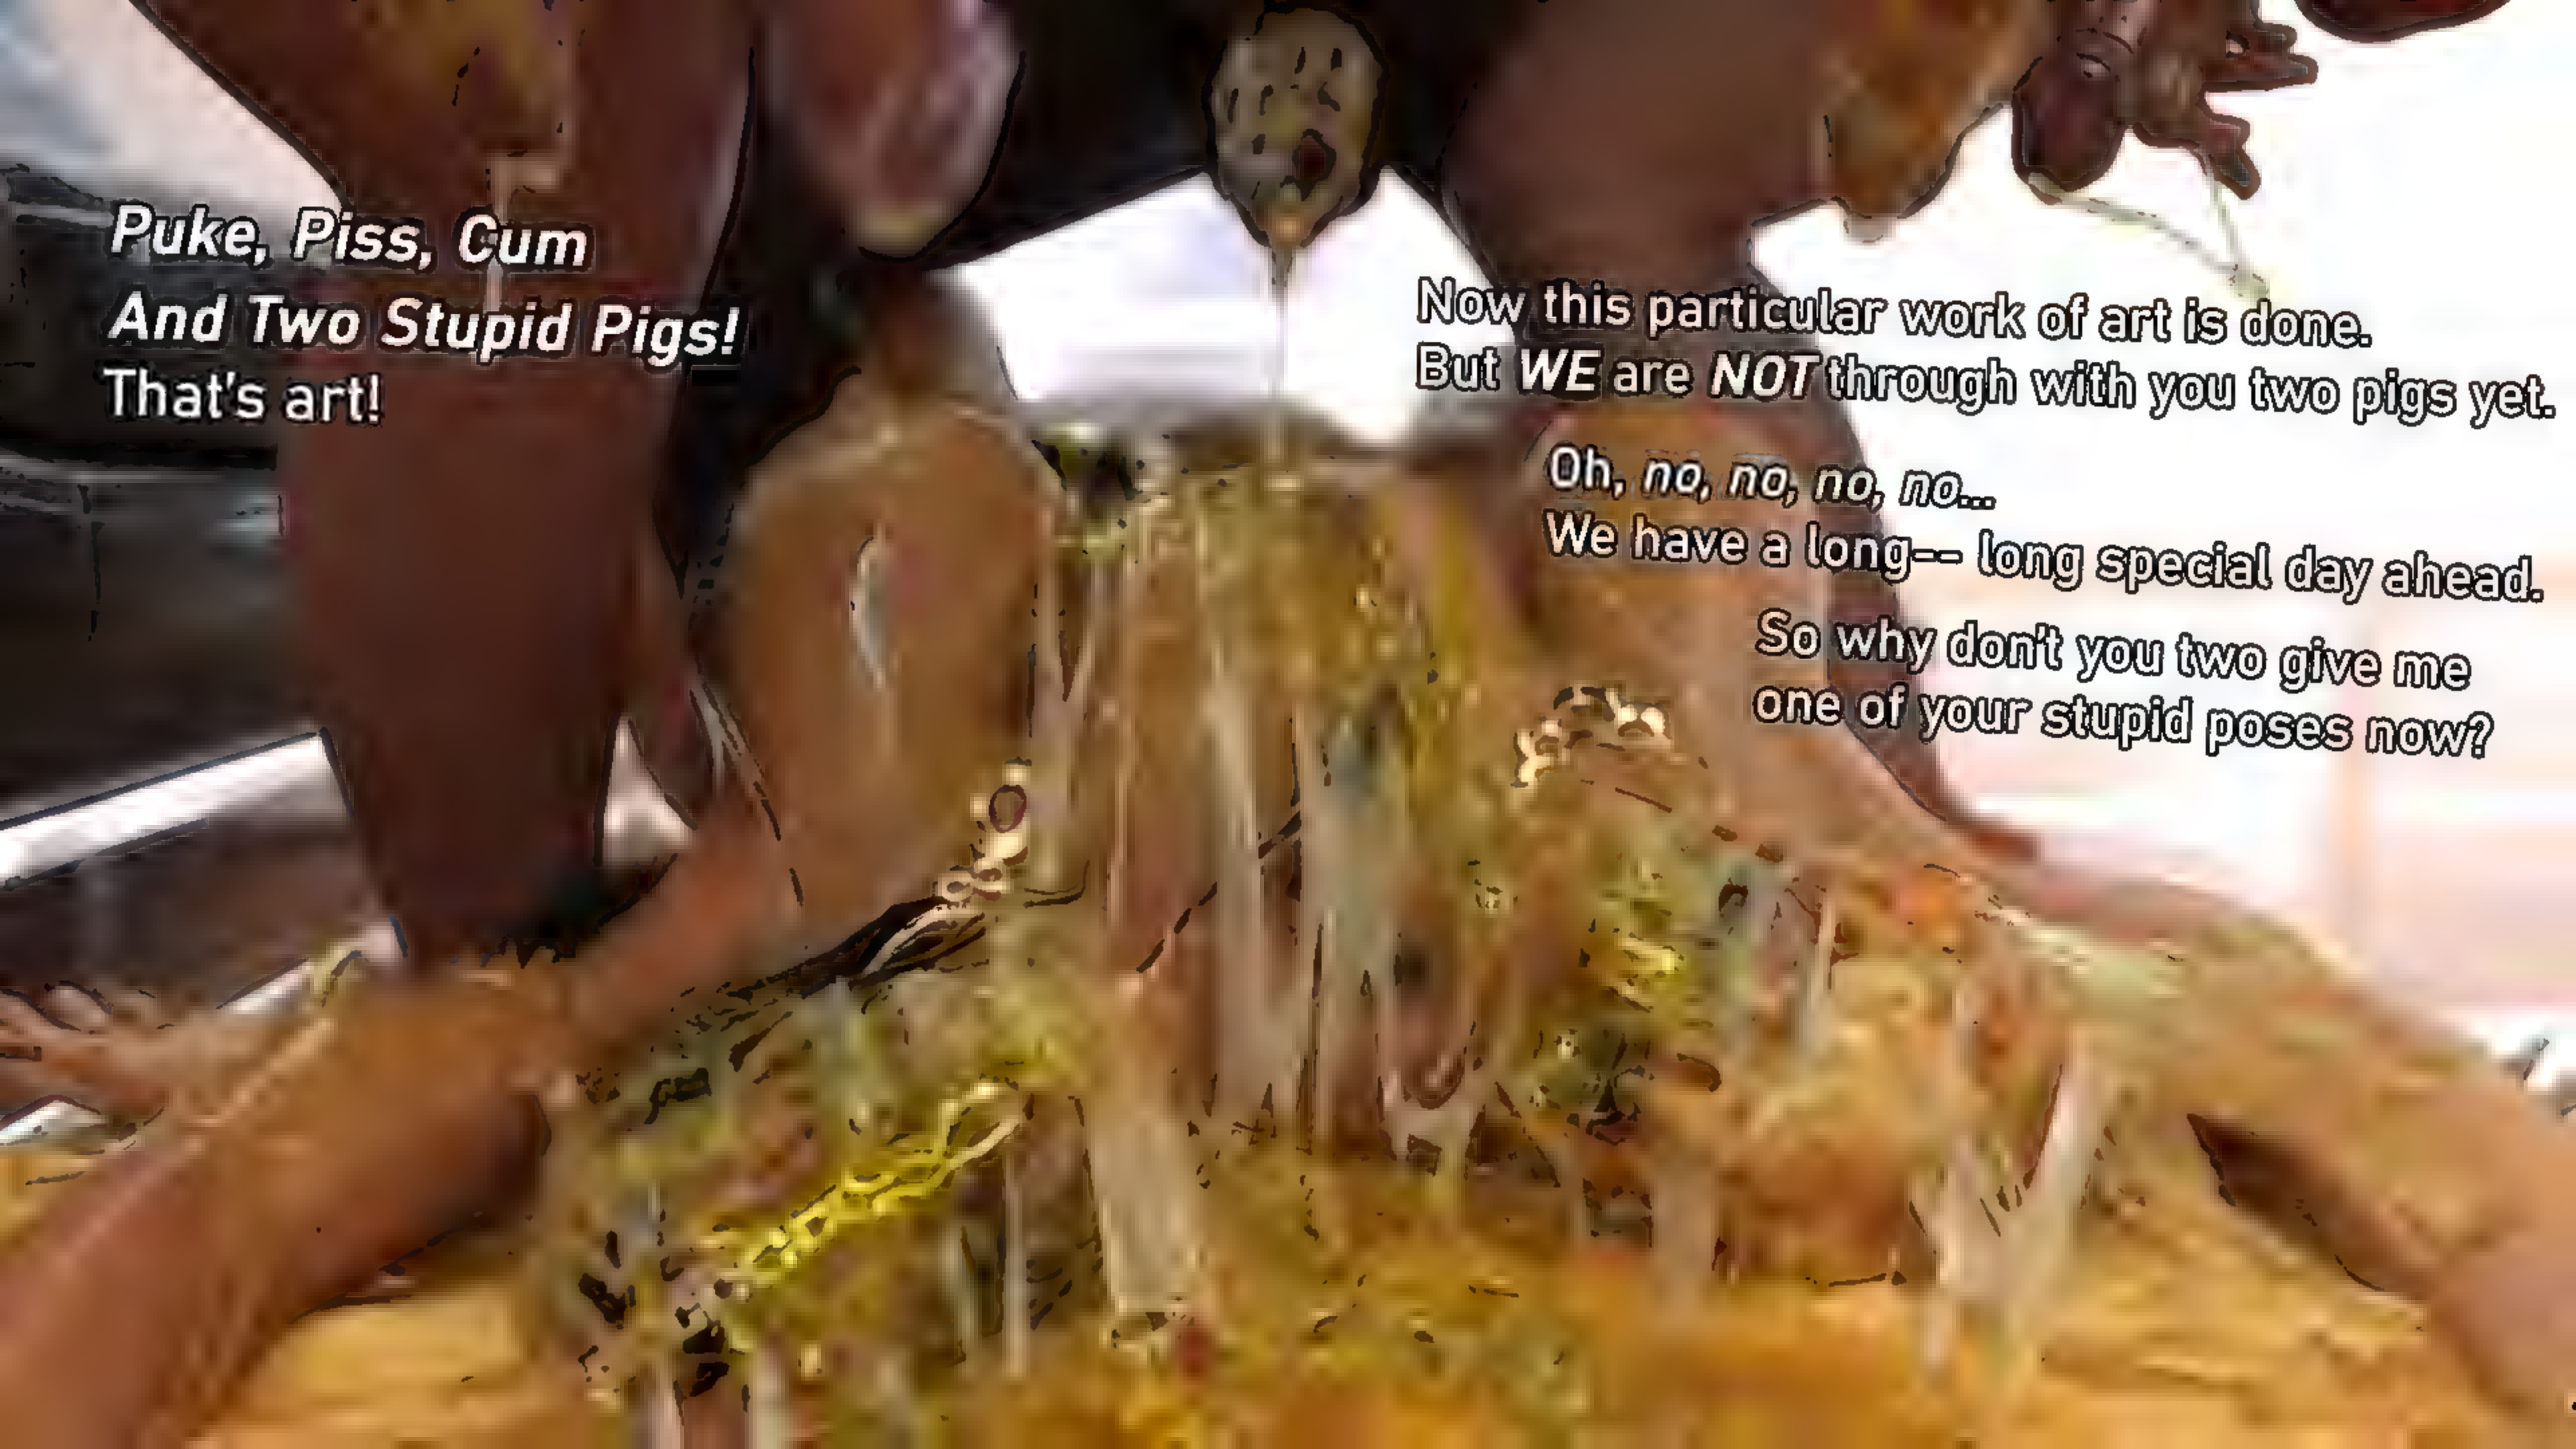

It's coming together now!
We are getting closer!

Now to the finishing touch!

A person's legs and feet are visible, submerged in a pool of yellow liquid. The person is wearing a dark, patterned garment. The liquid is thick and viscous, covering the lower half of the frame. The person's feet are visible at the top right, and their legs extend downwards into the liquid.

Puke, Piss, Cum
And Two Stupid Pigs!
That's art!

Now this particular work of art is done.
But **WE** are **NOT** through with you two pigs yet.

Oh, *no, no, no, no...*
We have a long-- long special day ahead.
So why don't you two give me
one of your stupid poses now?

STUPID PIG

**SURPRISE,
PIGGY!!!**

You lied about
your age, pig slut.
What a bad girl you are!

Your friend ratted you out, bitch.
I knew all along when you sat at
my couch and lied to my face!

Wha-- But how?!
How do you know--

What the hell?!

Your friend called before just to tell me that you would be 50 today and she still 39. Guess she wanted to undermine you and gain attention to herself. I just didn't know you would lie about it when I asked you!

What the hell, Nami?!
You didn't have the right!!
I specifically asked you to not tell about this!

And when you didn't mention you are already 50 and today was your birthday I knew I had to throw you a surprise party, pig slut!

Sorry, Robin! I'm really sorry!
I wanted to appear younger to the director!
I just wanted to make a name for myself...
This was before we even came here!
I didn't know this would happen!

At my expense?!
By telling I would be 50 years old today?!
Can you never play fair? Shame on you, Nami!

Don't be like that. For what it's worth, you two suck at porn but you did a better performance even being a 50 years old slut. Double shame on the red whore!

But enough chat! We have prepared a special tasting menu for your special day!

Alright bitches, let's get started! Despite the little feud,
after today you two are bond together as whore sisters forever
now to seal that you two will have a glass of "**piss champagne**"!

It was 'made' today by the guys.
Drink it while crossing your arms,
like you two are lovers.

These two girls are
now they are
whore sisters

*I can't believe this...
Haven't they done enough
to us?*

Aaaahhh

Aaaahhh

*This is awful!
What the hell is in this piss?!*

Next is the "cum wine"!
Now this one is from our special reserve!
It was "made" years ago by the guys!
We keep it in the fridge to feed whores like you.

It should be reeking like nothing you ever felt.
Smell it pretending you two are classy
ladies smelling a fine wine! *Come on, now!*

**Oh God no...
This thing is putrid!**

Very good, whores!
Now, drink it!

*Drink it? More sick games...
I should be disgusted by it
but I don't care anymore...*

THAT MUST HAVE MELTED YOUR BRAINS!
YOU TWO LOOK SO STUPID! HAHAAAAHA!

NOW LET'S START THE NEXT ITEM!
GUYS!!

Haaaahh

Haaaahh

*Whaaat is going ooon?!
I can't think straight!
This thing ravaged all
my senses!!!*

Now it's time to eat something!
We'll make the "slut cake" recipe today!

What?! Didn't we do enough
gross stuff today?!
Look at Nami! She is broken!
She can't do it anymore!
And I can't either!

You want us to eat this cake
like that after all we've
been through today?!

Eat the cake like this?
Of course not!

Because it's not ready yet!!
Get over here, red whore!
